Wall Mount MOXIE Wave
Color: black
Unit: 1

○ Description:

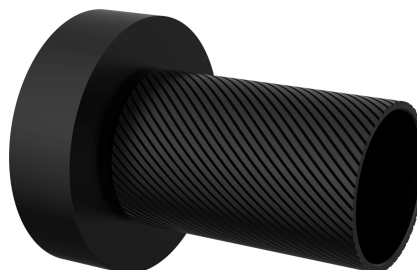

The MOXIE lamp is our handcrafted in Slovenia “WAVE” Concept, for wall and ceiling installations. Minimal. Connected. Modern. A simple yet stylish pendant for any interior space complements beautifully in combination with any bulb from our range. Unlike most common E27 pendants, “WAVE” is just a bit oversized, hiding the bulb’s top part, makes the connection between the bulb and the pendant seamless. The lamp will be delivered without the light bulb. Perfect Match with Floating-Models.
