○ **Description:**

"The ALIX pendant is our handcrafted in Slovenia "WAVE" Concept single pendant, hanging on 2-meter fabric cable.

Minimal. Connected. Modern. A simple yet stylish pendant for any interior space complements beautifully in combination with any bulb from our range.

Unlike most common E27 pendants, "WAVE" is just a bit oversized, hiding the bulb's top part, makes the connection between the bulb and the pendant seamless.

The lamp will be delivered without the light bulb. Perfect Match with Floating-Models."
